Uniform Shop
Returns and Donations Policy

We will gladly exchange uniform items that are the incorrect size as long as they have not been worn.

If the uniform item is not required, we can issue you a Credit Note to be used at a later date.

Items that are found to be faulty from the manufacturer (not from wear and tear) will also be gladly replaced.

It is the customer's responsibility to check that the uniform items are of correct sizing before the item is worn as we cannot replace a worn or altered item.

We very much appreciate any uniform donation in good condition.

We cannot sell any uniform items on your behalf, however you are able to sell them privately.
